

# Infant/Toddler Safe Sleep Policy

A safe sleep environment for infants reduces the risk of sudden infant death syndrome (SIDS) and other sleep related infant deaths. According to N.C. Law, child care providers caring for infants 12 months of age or younger are required to implement a safe sleep policy and share the policy with parents/guardians and staff.

\_\_\_\_\_ (facility name) implements the following safe sleep policy:

### Safe Sleep Practices

- We train all staff, substitutes, and volunteers caring for infants aged 12 months or younger on how to implement our Infant/Toddler Safe Sleep Policy.
- We always place infants under 12 months of age on their backs to sleep, unless:
  - **the infant is 6 months or younger** and a signed ITS-SIDS Alternate Sleep Position Health Care Professional Waiver is in the infant's file and a notice of the waiver is posted at the infant's crib.
  - **the infant is 6 months or older** (choose one)
    - We do not accept the ITS-SIDS Alternate Sleep Position Parent Waiver.\*
    - We accept the ITS-SIDS Alternate Sleep Position Parent Waiver.

We retain the waiver in the child's record for as long as they are enrolled.
- We place infants on their back to sleep even after they are able to independently roll back and forth from their back to their front and back again. We then allow the infant to sleep in their preferred position.
  - We document when each infant is able to roll both ways independently and communicate with parents. We put a notice in the child's file and on or near the infant's crib.\*
- We visually check sleeping infants every 15 minutes and record what we see on a Sleep Chart. The chart is retained for at least one month.
  - We check infants 2-4 month of age more frequently.\*
- We maintain the temperature between 68-75°F in the room where infants sleep.
  - We further reduce the risk of overheating by not over-dressing infants\*
- We provide infants supervised tummy time daily. We stay within arm's reach of infants during tummy time.
- We follow N.C Child Care Rules .0901(j) and .1706(g) regarding breastfeeding.
  - We further encourage breastfeeding in the following ways: \_\_\_\_\_

### Safe Sleep Environment

- We use Consumer Product Safety Commission (CPSC) approved cribs or other approved sleep spaces for infants. Each infant has his or her own crib or sleep space.
- We do not allow pacifiers to be used with attachments.
- Safe pacifier practices:
  - We do not reinsert the pacifier in the infant's mouth if it falls out.\*
  - We remove the pacifier from the crib once it has fallen from the infant's mouth.\*
- We do not allow infants to be swaddled.
  - We do not allow garments that restrict movement.\*
- We do not cover infants' heads with blankets or bedding.
- We do not allow any objects other than pacifiers such as, pillows, blankets, or toys in the crib or sleep space.
- Infants are not placed in or left in car safety seats, strollers, swings, or infant carriers to sleep.
- We give all parents/guardians of infants a written copy of this policy before enrollment. We review the policy with them and ask them to sign the policy.
  - We encourage families to follow the same safe sleep practices to ease infants' transition to child care.\*
- Posters and policies:
  - **Family child care homes:** We post a copy of this policy and a safe sleep practices poster in the infant sleep room where it can easily be read.
  - **Centers:** We post a copy of this policy in the infant sleep room where it can easily be read.
    - We also post a safe sleep practices poster in the infant sleep room where it can easily be read.\*

### Communication

- We inform everyone if changes are made to this policy 14 days before the effective date.
  - We review the policy annually and make changes as necessary.\*

\*Best practice recommendation.
